

FOR MEMBER OF THE CITY COUNCIL
DIANE TRAUTMAN **Age: 53**
Occupation: Educator / Planning Commissioner

As an educator and small business owner, I care about the future of our city. We need people of vision who will work for our community. I have a proven record of leadership with Save Our Seniors, local and regional PTA, Arts Advisory Committee and five years serving on the city Planning Commission.

We need leadership with:

VISION to plan for a future that will make our children proud.

COMMITMENT to make that future a reality.

With your support I will:

REDUCE TRAFFIC CONGESTION

We cannot rely on business as usual. We must improve mass transit and create safe and efficient roadways.

MAKE NEIGHBORHOODS SAFE

We will rebuild and expand Sheriff facilities, bring another hospital to our valley, and build more parks and community centers.

PROTECT OUR SENIORS AND SUPPORT WORKING FAMILIES

We will create new affordable housing for seniors and provide housing for working families to support the growth of local businesses.

SUPPORT LOCAL BUSINESS

We will create a vibrant economy that provides quality jobs.

PRESERVE THE ENVIRONMENT FOR OUR CHILDREN

We will protect sensitive habitat and promote energy-efficient building.

Please vote for DIANE TRAUTMAN. I can MAKE A DIFFERENCE.
